ALERT: Accessing AIMS A Science through ADEConnect

Test Coordinators,

As the AIMS A Science administration window is underway, ADE has been receiving many phone calls and e-mails with questions. We are glad that you and your TAs are reaching out to us for support. One of the common questions we are receiving is regarding issues with logging in. Please be sure your TAs are logging into ADEConnect and not Common Logon. This will save your TAs a phone call and wait time for test administration.

- The **CORRECT** direct link to reach the ADE Portal is: <https://home.azed.gov/Portal/>
- The "Username" is the user's school email address. If your TA needs a password reset in ADEConnect, they should use the "Forgot Password?" link in blue just below the "Sign In" button or call the ADE Support Help Desk at 1-866-577-9636 or 602-542-2222.

If you continue to encounter problems with logging in or with test administration, please contact our office at 602.542.8239 or AssessingSWDs@azed.gov.

Please forward this to your AIMS A Science Test Administrators.
